KING — OF — FAJITAS

The word «Fajita» comes from the Spanish «Falditas» (= little skirts) and refers to a recipe from the Chicano Cowboys of the 19th century! Fajitas are served in a hot cast-iron pan. We accompany them with Pico de Gallo, guacamole, sour cream, lettuce, grated cheese, kidney beans, and wheat tortillas. You fill the fajitas yourself and roll them into a «little skirt.».

Buen Provecho!
